STATE BRIEFS

BLUE MOUNTAIN, Miss.—Dr. May Jones, who has been spending a few days in Tippah with the health unit, now at work in the county, has examined 48 patients for tuberculosis. It was found that 25 out of that number were suffering from the disease. Because of the great number who desired examinations and had to be turned away, the health unit, Dr. J. D. Tidwell, director of the Tippah health unit, has arranged to have Dr. Jones examine patients a few days during each month.

BLUE MOUNTAIN, Miss.—Miss Lucy Hutchins, who has been on leave of absence from Blue Mountain college to route out her work at "The Misses," has returned to her home in Blue Mountain and will resume her duties on the faculty at the opening session in September.
